

## BROWN BAG LUNCH WITH THE PASTORS

What's a brown bag lunch?

A chance for members of the congregation to meet with the pastors once a month in an informal setting. Sometimes the pastors choose a topic for discussion and announce it in the previous week's "Opportunities" bulletin. In the year since this tradition began, attendance at Brown Bag Lunches has ranged from 4 to 25 people. A sample of topics:

- Different communion practices: common cup, intinction, individual cups
- What do Baptists believe?
- The place of the American flag in the sanctuary
- Will our clothing bank continue in its present form?
