

Camp Mentor Me

June 25 - 28, 2001

9 am - noon

Grades 4, 5, 6

Thank you for volunteering to participate in this week of fun for Our Savior's youth. Your involvement will be a blessing to those who attend and I think you'll find it will be a blessing to you, also.

I am willing to work each day around your schedules. How will this work?

9 am	Gather at OSL for games and activities
10 am	Morning Snack
10:15 am	Bible Study (Mon - God's Covenant with Abraham, Tues. - Healing, Wed - Creation, Thurs. - Feeding the 5,000)
11 am	Field Trip (this is where you come in) Mon - Brian, Tues. - Mary Beth, Wed - Foster, Thurs. - Rochelle
11:30 am	Lunch

Everything is flexible so just let me know how we will fit into your schedule if the above won't work.

What am I expecting of you? I'd like to allow the youth to see where you work and what you do, hear why you chose this profession, and listen to a little bit about how your faith fits into your life. The last one might feel uncomfortable, but it's important to have an adult express their faith to our youth. It will help them find words for their beliefs, too.

I'll call each of you the afternoon of June 21 to answer any questions and make final arrangements.

Once again - **THANK YOU!**

Walking the Walk with you,

Yvonne, OSL Youth and Family Life Minister	Walk Your Talk
