

What is Luther Park like?

That is a very good question! Some young people think that Bible Camp is nothing but “Bible Study 12 hours a day!” Each morning we do study the Bible in small groups. Each afternoon Luther Park offers every kind of recreation you can think of: water-skiing, swimming pool, tennis, basketball, softball, arts & crafts and many other forms of fun that can be had with 125 people your age. During the early evening hour the staff leads worship services, musical productions and special events that inspire and entertain. Late nights are made special with inspirational campfire sing-a-longs.

The cabins are great They are only five years old. Each cabin has two bedrooms and each bedroom houses eight campers and a trained counselor or two. Your bathroom is also right in the cabin!

Will We Meet Other Kids? Yes you will! We will be getting many of our own young people to go this week. There will be a good group of kids that you already know. AND, other churches will be doing the same thing, so there is lots of opportunity to meet new friends. The week will probably fill. The only way we can save your child a spot is with a signed registration

blank and a deposit! How Do We Register?

Please fill out the enclosed registration blank. You can mail it with your deposit directly to the camp if you wish. You may also choose to turn it in to the church office. If you need more time for your deposit, or want to request a campership, send in the blank today with a brief note. Campership money really is available! Once you register the camp will send you information directly. You will get an confirmation letter, "what to bring" list and a health history form.

The reason that we "push" Bible Camp so much is because we believe in it so much! There is no better place for young people to grow in faith than at Bible Camp. During a week at Bible Camp, the young people get "time away" from the distractions of everyday life, time to reflect on their lives and their faith.

At Bible Camp, this time away, and this reflection happen in a wonderful Christian community designed to support each young person in their search for meaning, faith and values. It is a powerfully Christian atmosphere, where even "play is holy." Days are filled with energetic songs,

prayers, recreation, active learning, Bible study and wonderful “kid friendly worship.” The camp staff is trained to work with this age group, and will offer their own enthusiasm and support. Pastor will also be there during the week building quality relationships with our young people. How about Baseball? Every year we run into sports driven anguish from some families. “How can we break this commitment to the team?” The answer is easy. Never make it! Parents, tell your coach from the onset, that you have this one commitment already. Baseball is a game, played for the fun of playing! This one week should not be the deciding factor for your child. A week at camp nurtures faith. Faith will carry your child through life.

Why at This Camp? We have chosen this camp and this week because this camp has a special interest and focus on this age group, makes great use of worship and devotional times, and consistently approaches the Christian elements of their program with great enthusiasm and zeal. It is also on a beautiful lake, they have both water-skiing and a swimming pool, and the young people have a lot of fun there! What About the Finances? The cost of a week at camp is actually very reasonable. The total cost for a week at camp is \$215. Our congregation offers

support to campers which brings the cost down considerably. This price includes all food, housing and program expenses.

THE NOT SO FINE PRINT We can also provide a full or partial campership to anyone who might need one. If you have more than one person in your family going to camp, or a financial “pinch” going right now, please let us know your needs! Believe us, the campership money is there for any situation! Just attach a simple note with the word Campership, and your pastor will call you.

Who’s All Going? Your child might say, “but no one else is going!” We hope that everyone in your child’s class will attend. You can help that happen. We respect the need for friendship on an adventure like this. It is important at this age! Sign your child up, and talk that friend into signing up with you! The camp respects the desire to have your friend in your cabin.
