

# FISH FOR TANZANIA

The Sunday School at The Lutheran Church of the Good Shepherd in Eau Claire, WI wanted to raise money for a fish farm project in Tanzania. Teachers helped the kids keep track of how much money was being raised by creating an underwater aquarium. The goal was to fill the board with fish. Each fish symbol represents \$50.00. Sunday School kids decorated and cut out fish to put on the board.

Quilts were also made with the fish designs and hung in the church. The Sunday School raised over \$1300 throughout the year and also brought in \$710.40 in quarters for the Stand With Africa campaign.
