

Collecting Quarters

Collecting quarters for Malawi Donate \$5 or more of quarters or "dough", and receive a donated roll from the French Confection on Water Street. "Rolls and dough" for a roll, will be made available at all three services TODAY, May 1st. Your donations are going directly to the feeding stations in support of our sister church in Malawi, to help those in need of something so simple as a meal. Remember to stop in the back of the Narthex and donate a roll or "dough" for a roll from the French Confection. Thanks for your gracious gift to help those who desperately need your continued help and support in Malawi.
