

**Israel in the Wilderness**  
(Sung to the tune of Don't worry Be Happy)

Here's a little song for you  
To keep in mind, when 'you get blue  
Don't worry  
Be happy

The Israelites they had no fun  
Wandering in the desert sun  
Don't worry  
Be happy

**CHORUS:**

OOOOOO *Spoken: "Don't worry"*  
OOOOOO *Spoken: "Be happy"*  
OOOOOO *Spoken: "Don't worry, be happy"*

They cried to Moses dead on their feet  
"We got no water or food to eat!"  
Don't worry ... Be happy

They felt so lost and so unloved  
So God sent manna from above  
Don't worry ... Be happy

**CHORUS**

"We're tired of manna," the Israelites wailed  
So the Lord he sent them quail  
Don't worry ... Be happy

The sour water it turned sweet  
Now they could drink and they could eat  
Don't worry ... Be happy

**CHORUS**

In these days of war and trouble  
If you worry you make it double  
Don't worry ... Be happy

Remember God protects our nation  
He is our rock and our salvation  
Don't worry ... Be happy

**CHORUS**

*Ending: Repeat chorus and fade out while speaking:*  
Don't worry. Don't do it. Be happy.

Trust the Lord. Have faith in him.  
Remember, He is always with you.  
Whatever it is, it will soon pass.  
Don't worry. God wants us to be happy.  
We're not worried. WE'RE HAPPY!!!!
