

## **All Saints Day Banner**

.....So great a cloud of witnesses.....

All are invited to participate in creating a special banner to be used in worship on All Saint's Sunday. The banner is hung in the narthex for the two Sundays prior to all All Saints Sunday, and next to the Banner is placed a basket of bells and a basket of blank cards.

All are invited to pin a bell on the banner in memory of departed family and friends that they want remembered. The names of the people to be remembered are to be written on the blank cards and placed in a basket.

On All Saints Sunday, the banner is brought into the sanctuary. All the names are brought to the altar during the service. The names in memory of someone are read during the service.

The banner is a visual reminder of all the saints!
