

Advent Gospel Song

Before the reading of the Gospel, during Advent, we use the following,
sung to the tune

"Open My Eyes, That I May See" (*The Other Song Book* #159)

Waken our world that we may hear.
Word of your coming send us clear.
And by your presence now drawing near,
May your true Light, to us appear.
Forever born in us to reign;
Bring now your truth our world to claim;
Make of our lives your love's domain, Savior divine.
